## **Elderly Woman Accidentally Drives Her Vehicle into Bagel Shop**

FALLS CHURCH, VA. – At approximately 3:30 p.m. an elderly woman accidentally pressed her foot on the gas pedal instead of her break pedal in her car, sending the vehicle into the Bagel & Donut shop located at 1112 West Broad Street in the City.

The elderly woman is in good condition, but a customer sustained minor head and leg injuries when the vehicle crashed into the shop's window. The customer was checked out by paramedics and was released.

The City's building inspector reported that the status of the building is stable, and that the only damages sustained was store's main window.

Police are still on the scene.

Further information will be provided should it be made available.
